

Just Believe... I do!

Dear DJ,

My name is Kayla Rose Guzovsky. I am 13 years old, and am in the 7th grade. My good friend Alexis Altman has told me all about you, and how strong you are. I've gone on your website many times and seen many pictures as you've grown.

The day I heard that Brady was born all I could think of was how lucky he was to have a big brother like you. You're so strong and courageous. It's amazing how someone so small can bring so much happiness and inspire so many people. You're truly an amazing boy.

The day you were born as your family celebrated your entrance to the world, my family did the same, only I was turning 9 years old. Yup, we have the same birthday. That's the reason for the amount of my donation.

Every year on my birthday from now on my birthday thoughts of you and your battle with Tay-Sachs will always be there to remind me that there really are angels on earth.

Send love to your mommy, daddy and Brady for me,
XOXOX

Always,

Kayla R. Guzovsky
