The bats are arranged in a circular pattern around the central text area. The text is written in a cursive, handwritten style on a white background with a red border.

foundation is 11 being my lucky number. It also happens to be the age I was when I heard about you and your foundation and began supporting it strongly. I really hope that my donation helps in spreading the word about getting tested and much more. You and your family have proved to me that there really are angels on Earth and I thank you for that. Please send all my love to Mommy, Daddy, and Brady for me.

Much love always.
