
Dear DJ,

As you already know I have been supporting your foundation for Tay-Sachs by selling bracelets and cookbooks and by also telling all of my family and friends what a special boy you truly are. It has been two years since I first heard about you and your battle with Tay-Sachs. An idea came to mind to have your foundation be represented as my Bat Mitzvah project. I'm truly honored to have had that opportunity to share all I knew about you and your battle with everyone I knew. All the time do I go on your website to see how you and your family are doing. I remember the day Brady was born and all I could think of was how lucky he was to have a big brother like you. I also remember the day I got to meet you! I was so excited to meet the little boy that has not only inspired me but so many other people and has put up such a courageous fight against Tay-Sachs.

The significance of my donation to DJ's
